

Painting and Industrial Solutions

CMC Group is a West Australian owned and operated business servicing Marine, Industrial and Commercial markets, providing surface preparation, removal and application of protective coatings.

CMC GROUP

CMC Group recognizes the importance of meeting our customers requirements and has developed over 30 years from a single owner operator business into a multi-faceted Company. Moving to a divisional structure in 2005 allowed CMC to provide specialization of skills and resources, and now with the continued growth, CMC has further restructured in 2010 to reflect the market sectors that we service under the banner of CMC GROUP.
